## **ARTICLE I**

### **JURISDICTION**

(A) The Association recognizes the Union as the sole and exclusive bargaining agent for those employees of the Association members covered by the Agreement doing work within the jurisdiction of the Union.

(B) This Agreement shall cover, and grant the persons covered hereunder, work jurisdiction over all resilient floor covering and related materials, whenever applied, including, but not limited to, all work which consists of measuring, cutting, fitting, taking up and laying of new and old carpets, protective covering as necessary to protect linoleum, cork carpet matting, linen, linoleum and rubber on walls, floors and ceilings; all resilient tile of cork, rubber, linoleum, mastic, asphalt, vinyl, or other composition tiles for floors, walls or ceilings, drilling of holes for sockets and pins, waxing of linoleum, rubber and all other above-mentioned floor, wall or ceiling covering, fitting devices for the attachment of carpet and other floor coverings, the priming of concrete and flash patching, the spreading of all adhesives and the preparation of cracks and expansion joints, laminates, installation of self-leveling floors (as underlayment or as finished floors) and fritz tile. Self-leveling floors, seamless floor covering and the handling of all the above-mentioned materials, on jobsites, and any and all materials covered by the United Brotherhood of Carpenters and Joiners of America.

(C) This Agreement shall also cover all work which consists of sewing, altering, mending, binding or otherwise making, remodeling or repairing of new or old carpets, including oriental rugs, on commercial and rehabilitation jobs and in warehouses.

(D) The handling and installation, including the operation of any and all machinery and/or equipment in any way related to the handling and installation of all carpeting known as ASTRO-TURF or any similar name or type, whether used indoors or outdoors, is under the jurisdiction of the Union. The spraying of cement and/or adhesives for the purpose of receiving any type of flooring materials wherever or however applied, as well as the operation of any other equipment in any way connected with such installation, shall be deemed to be covered under this Agreement and within the jurisdiction of the Union.

(E) Cement down wood flooring shall be deemed to be covered under this Agreement in any geographical area normally considered to be within the jurisdiction of the Union and the steward dispatched will be a member of Local 2287.

(F) The members of the Association shall have the right to hire the necessary carpenters, with the proper jurisdiction, to install nail-down wood floors without the burden of joining another association. These employees shall be certified as per the INSTALL certification clause of this agreement.

(G) Employees reporting for work outside of the geographical jurisdiction of this Collective Bargaining Agreement, having been directed to do so by an Employer who is bound by the provisions of this Agreement, shall be entitled to all the provisions of this Agreement, regardless of the wage and fringes prevailing in the geographical area in which they are directed to report to work. If the Union has a reciprocal agreement with other Unions outside of its jurisdictional area, then the balance, if any, of wages and fringe benefits shall be paid to the

Union and/or the Fund. If no such reciprocal agreement exists, all such wages and fringe benefits shall be paid to the Union and/or Fund.

**ARTICLE II**

**GEOGRAPHICAL JURISDICTION**

This Agreement shall cover work performed by the Employer when employing Journeymen and all other employees within the scope of this Agreement within the following territorial jurisdiction in the State of New York:

Counties of:	Bronx	Queens
	Kings	Richmond
	Nassau	Rockland
	Manhattan	Suffolk
	Orange	Westchester
	Putnam	Dutchess

**ARTICLE III**

**UNION SECURITY**

(A) All employees who are members of the Union at the time of signing of this Agreement shall continue membership in the Union. All other employees covered by this Agreement who are employed by Employers engaged primarily in the Building and Construction Industry shall become members of the Union seven (7) days following the beginning of employment by a member of the Association or the date of this Agreement, whichever is later, and shall retain such membership in good standing during the term of this Agreement as a condition of continued employment by a member of the Association.

(B) All employees covered by this Agreement who are employed by Employers not engaged primarily in the building and construction industry shall become members of the Union on the thirteenth (13) day following the beginning of employment, or the date of this Agreement, whichever is later, and shall retain such membership during the term of this Agreement as a

condition of continued employment.

(C) The Employer agrees upon notice from the Union to discharge any person covered hereunder who has not become or remained a member in good standing in the Union, provided that such membership was available to the person based on terms and conditions applicable to other members and that membership was not denied or terminated for any reason other than the failure of the individual to tender periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership.

(D) The Employer shall deduct from the weekly wages of each individual covered under this Agreement Union dues and such other amounts as set by the Union in accordance with its Bylaws or other applicable documents. All monies deducted shall be promptly remitted to the Executive Secretary-Treasurer of the Union or his or her designee, together with a list of names and employees from whom said monies are to be credited. The written authorizations shall be pursuant to Section 302 (c) of the Labor Management Relations Act of 1947. The Union shall hold the Employer harmless and indemnify the Employer for any liability arising out of compliance with this Agreement, including contract limitation attorneys' fees and costs.

(E) Each Employer warrants that no enterprise which the Employer or any officer, stockholder, partner or agent of the Employer has substantial de facto interest in now, or achieves during the term of this Agreement, shall engage in any activities covered under this Agreement without being bound to all the terms and conditions of this Agreement. The parties further acknowledge that those who engage in activity in violation of this provision cause great and incalculable damage to the Union and its members. Since the exact damage suffered by the Union due to a violation of this provision is not readily calculable, the parties agree that any Employer, officer, stockholder, partner or agent who violates this section, as well as the

Employer itself shall pay liquidated damages in the sum of ten thousand (\$10,000.00) dollars or the amount of actual damages the Union can prove, whichever is higher to the Union for each violation of this provision.

#### **ARTICLE IV**

#### **HOURS OF LABOR**

(A) The intent is to maintain the seven hour work day, thirty five hour work week.

During the term of this Agreement the work day may be increased to eight hours at straight time pay hours and a forty hour work week with written notification to the District Council prior to commencement of job. A contractor may change from a seven (7) to an eight (8) hour day or from an eight (8) to a seven (7) hour day, one (1) time on each project, with proper notification to the Union. Overtime hours Monday through Friday shall be paid at time and one-half.

Saturday pay shall be at the time and one-half rate. The Contractor is expected to establish and maintain a reasonable work week schedule allowing for unusual jobsite conditions. Other than an emergency, notice of all overtime work should be given to the Floor Coverers before noon if possible. Floor Coverers will never be penalized for refusing to work overtime.

(B) **Flexible Starting Time:** The normal work day shall start at eight (8) a.m. and may be changed by the Employer due to work site conditions to start between seven (7) a.m. and nine (9) a.m. for all or a portion of the employees. Notification to the Union will be given by the Employer when changed from the normal eight (8) a.m. starting time. No Floor Coverer is to start work before the designated starting time.

(C) All additional hours worked shall be paid at the time and one-half rate.

(D) Saturday: All hours worked shall be paid for at the rate of time and one-half.

When a holiday falls on a Saturday, then the rate shall be double time.

(E) All Floor Coverers will be given five (5) minutes time to wrap up their tools and wash up before lunch and quitting time.

(F) **Shift Work:** The Employer may work two shifts with the first shift working eight (8) a.m. to the end of the shift at straight time rate of pay. The wage rate for second shift consisting of seven (7) hours shall be paid at one hundred fourteen point two nine percent (114.29%) of the straight time wage rate. The wage rate for second shift consisting of eight (8) hours shall be paid at one hundred twelve point five percent (112.5%) of the straight time wage rate. In addition, members of the second shift shall be allowed one-half (1/2) hour to eat, with this time being included in the hours of work established. There must be a first shift to work the second shift. All additional hours worked shall be paid at the time and one-half rate. The Employer shall notify the Union in advance of the beginning of the shift schedule. On shift work, the Job Steward shall work no more than the shift hours. There shall be a Job Steward on each shift who shall be appointed by the Union. There shall be a pre-job conference with the Union before the commencement of any shift work.

(G) **Off-hour Work on Alteration and Repair Work:** When performing alteration or repair work in an occupied building and when it is not possible to perform said work during regular working hours, said work shall proceed during off hours, as scheduled by the Employer, but starting no later than 10:00 p.m. The work day and the rate of pay shall be the same as the second shift provisions. The wage rate for second shift consisting of seven (7) hours shall be paid at one hundred fourteen point two nine percent (114.29%) of the straight time wage rate. The wage rate for second shift consisting of eight (8) hours shall be paid at one hundred twelve point five percent (112.5%) of the straight time wage rate. In addition, members of the off-hour crew shall be allowed one-half (1/2) hour to eat, with this time being included in the seven (7) hour or

eight (8) hour shift as established hours of work. All additional hours worked in excess of the shift hours shall be paid at the time and one-half rate. The Employer shall notify the Union in advance of beginning said off-hour work, which shall be performed subject to the provisions of this Section and subject to notification to the Union. There shall be a pre-job conference with the Union before the commencement of off-hours work.

(H) The Employer may start a portion of the crew one hour prior to the established start time at straight time wages due to unusual job site conditions. The Contractor will determine the number of employees necessary. The working steward will be part of the early crew. It is understood this is not intended to establish a continuous staggered work day.

(I) Starting time is on floor of actual work, not at shanty.

(J) **Saturday Make-up**: When conditions beyond the control of the Employer, such as severe weather, wide spread power failure, fire, natural disaster, etc., prevent the operation of the job on one or more normal working days, the Employer may, with notification to the Union, schedule the Saturday of that calendar week during which work was prevented, as a make-up day at straight time. All hours worked in excess of the normal work day shall be paid for at the rate of time and one-half. When a holiday falls on a Saturday, then the make-up day rate shall be double time. The Employer must declare a regular work day "terminated", for one of the reasons listed above, no later than 10:00 a.m. of the day terminated to utilize a Saturday as a make-up day, and notify the Union of its desire to work a make-up day by noon of the day preceding the make-up day. Employees employed by the Employer on the day so "terminated", shall have the right of first refusal to work on the make-up Saturday, but said employees shall also have the right to decline work on a make-up Saturday, without any penalty. If employees are needed to work a make-up Saturday, other than those already working on the job, the Employer shall call the Union before employing workers secured from any other source. A make-up Saturday shall

be no less than the seven or eight hours as established by the shift, with one-half (1/2) hour off to eat, charged to the hours worked.

**ARTICLE V**

**HOLIDAYS**

(A) The contractual holidays are:

- |                  |                           |
|------------------|---------------------------|
| New Year's Day   | Columbus Day              |
| President's Day  | Presidential Election Day |

| Labor Day        | Christmas Day             |
| Christmas Eve    | New Year's Eve            |

(B) It is further agreed that no work shall be performed on Sundays or Legal Holidays, except in the case of emergency or necessity, and that no work shall be performed then unless permission is granted by the District Council on the previous workday, stating location of building where work is to be performed and the number of workers required.

DOUBLE TIME SHALL BE PAID FOR ALL WORK ON SUNDAYS, AND LEGAL HOLIDAYS, except as otherwise noted. Emergency work, INVOLVING DANGER TO LIFE AND PROPERTY, may be performed without permission from the District Council.

(C) The listed Holidays are to be non-paid holidays except for the Foreman and First and Second Year Apprentices who shall be paid on a weekly basis (inclusive of holidays).

(D) In all cases, the Holidays referred to shall be observed on the day and date established by the State of New York. When permission is granted to work on such Legal Holidays, double time shall be paid.

(E) Except as provided herein, Foremen and first and second year apprentices shall be employed according to the established work week as provided herein except when due to the

exigencies of the situation, the Union grants permission to the Employer to employ apprentices for a period of time of less than a full week. This weekly payroll basis will be followed regardless of whether a holiday falls within the week in question, provided that the individual entitled to weekly pay has been ready, willing and able to work during the week in question.

(F) When a Legal Holiday, defined herein this Article, falls on a Sunday and the following day is declared a Legal Holiday, then double-time shall be paid for all hours worked. If a Holiday is to be worked, the Union shall be notified by noon of the previous work day. No work shall be performed on Labor Day.

(A) Any person directed to appear at a job site shall be guaranteed two (2) hours pay by the Employer if the employee appears prepared to work prior to starting time of the workday in question. Any employee who has worked for an Employer at a job site shall be deemed to have been directed to report to that job site on the following "workday" unless the employee has

been actually directed to report to another job site the preceding "workday" or laid off the preceding "workday".

A Floor Coverer's work day consists of seven (7) hours. If the said employee does not work seven (7) hours because of personal reasons, the employee then would only be paid for hours actually worked.

Employees laid off on a job site for gross incompetence or violation of jobsite rules shall be paid only for hours worked.

(B) Employees shall receive their wages in cash or by check in a closed envelope which shall be plainly marked as to each employee's name, the hourly rate, the number of hours, deductions for vacation, dues and the various taxes, such as unemployment, social security and temporary disability. The check or pay stub shall show the gross amount of wages, the Employer's name and address. The employee's wages shall be delivered within three (3) business days from the end of the work week whether being continually employed, discharged or laid off. Employees covered by this agreement shall be given one hour notice before being discharged or laid off. If the notice is not given or timely payment is not made, the employers will be obligated to an additional two (2) hour penalty per day for up to three (3) days after which employer will be obligated to pay time and one half for each hour the employee has to wait in excess of 72 hours, not to exceed fourteen (14) hours. Employees shall be paid on an earlier day if the regular pay day falls on a recognized holiday when the banks are closed.

(C) If any check provided by an Employer to an employee covered hereunder is returned by the Employer's bank, the Employer shall, within twenty-four (24) hours of notice of the bank's refusal to make payment, deliver to the employee, at the employee's home, the full amount due the employee in cash as well as one hundred (\$100.00) dollars in cash as liquidated

damages to reimburse the employee for injuries incurred due to the failure of the Employer's bank to honor the check.

(D) Where the Employer requires an employee to use the employee's car to carry materials to the job the employee will be reimbursed twenty five dollars (\$25) for each load of materials that weigh less than one hundred (100) pounds; for materials that weigh more than one hundred (100) pounds the employee will be reimbursed one hundred dollars (\$100) for such load. Employer agrees to reimburse employee for any damage caused by the carrying of the materials.

## **ARTICLE VII**

### **TRAVELING TIME AND EXPENSE**

(A) Employees covered by this Agreement who are sent to work outside of the jurisdiction of Local 2287, and who remain away overnight shall be allowed a minimum of seventy-five (\$75.00) dollars per day (\$45.00 for lodging; \$30.00 for meals), unless equivalent provisions are made by the Employer and they shall also receive actual transportation expenses while traveling between the employee's home and the job site, including the actual cost for meals, mileage and sleeping accommodations. Mileage shall be paid at the maximum Federal Mileage Allowance existing at the time the trip is undertaken. The parties acknowledge that "Travel Expense" outlined in this Agreement are reimbursable employee expenses and, therefore, no deductions of any kind may be made from these monies.

(B) Employees covered by this Agreement who are sent to work outside of the jurisdiction covered by this Agreement and who are required to return to their homes at the end of each day's work, shall receive payment at single time for all time which they travel, provided the Union has been notified

(C) All traveling time for work outside of the geographical jurisdiction of this Agreement between 8:00 a.m. and 3:30 p.m., including Saturdays, Sundays and Contractual Holidays, shall be paid for at the rate of single time.

(D) When employees are ordered to the shop in the morning, to receive instructions or to pick up material, the employee's paid time shall begin at 8:00 a.m. However, when employees are required to report to work at the job location or site, then travel time at single time shall only be paid for that time necessary to travel in excess of a 50 mile radius from the shop.

(E) Where an employee is requested by the Employer to use his/her own car on two (2) or more jobs in one (1) day, for work in the five boroughs of New York City, the employee will receive for an allowance for use of the car \$9.60 per day for that service, unless the accumulated railroad fare for the day is in excess of Nine and 60/100 (\$9.60) dollars, in which case the Employer shall pay the greater amount plus any parking fees, tolls (substantiated by receipts), and required when transporting such materials.

This payment is in addition to payment for carrying materials in the employee's car, already covered by this Agreement.

## **ARTICLE VIII**

### **CLASSIFICATION OF INDUSTRY**

Individuals, firms and corporations signing this Agreement as Employers shall be defined in three classifications as follows:

1. Contractors
2. Trade Shops
3. Dealers

For the purpose of this Agreement, these are defined as follows:

1. Contractors: Those concerns who are, or may be, employ labor for installation of same direct from the Union or who contract and/or who subcontract for the direct installation of flooring materials and/or other material covered by Article I of this Agreement.

2. Trade Shops or Workrooms: Those concerned who contract to perform only the labor of installation of same for Dealers and Contractors only, shall employ in this installation only members of the Union.

Once an award is given to a TRADE SHOP or WORKROOM from a Contractor or a Dealer, then this same TRADE SHOP or WORKROOM shall not re-subcontract the same award to another TRADE SHOP or WORKROOM who is a non-signatory Contractor to this Agreement. To do so is in violation of this Agreement.

3. Dealers: Those concerns engaged in the selling of Floor and Wall Coverings, and who engage TRADE SHOPS or WORKROOMS for the installation of the materials they sell agree to contract only to signatory Union Contractors.

## **ARTICLE IX**

### **JOB REFERRAL**

(A) The Union and Employees agree to the INSTALL Program with 30 hour OSHA Program. Employers agree to employ only journeymen employees that are certified to install flooring materials with the appropriate certifications; INSTALL carpet, INSTALL resilient, NWFA installation; and an OSHA 30 certification. Likewise, the Union has the obligation to furnish only employees who are appropriately certified, ie. INSTALL certified, OSHA 30 certified, and UBC/NWFA certified. The employer shall not be penalized in any way if the Union has failed to provide employees without such certification causing the employer to temporarily default under his obligation to this section. If the Union furnishes employees on to

the jobsite that do not possess the required certifications, the employer may send them home with no obligation to pay them for show up.

(B) In selecting applicants from the referral list, the Union shall use the following criteria:

(1) The first Carpenter on the job site shall be the Lead Person and may be selected by the Employer. Except as set forth in the paragraph below, the second Carpenter on the jobsite shall be the Certified Shop Steward referred by the Union. The remainder of the Carpenters on the jobsite shall be selected by the Employer. Any employees selected by the employer not members of the District Council shall be matched 1: 1 from the District Council Job Referral List. When there are five (5) or more Carpenters on the jobsite, one (1) Carpenter must be paid the Foreman's rate of pay.

(2) Applicants for referral through the Union must register with the Union. Applicants who have successfully completed the full Apprentices Program shall be presumed to have the necessary skill and experience. Whether other applicants are possessed of the necessary skill shall be determined by the Employer, subject to appeal, pursuant to the Grievance Procedure set forth in this Agreement.

(C) For jobs only requiring one (1) or two (2) carpenter employees, the Employer will be permitted to work without a certified shop steward without a time limitation. Any employee who is not a member of the District Council will be matched 1:1 from the District Council's Job Referral List. The Union will assign one (1) of the two (2) members with the duties of the shop steward. In the event of any violation of the two (2) employee rule (i.e., not reporting the job and/or employing more than two (2) Carpenters without a Shop Steward), the contractor will lose the benefit of this provision for the remainder of the term of the contract. If there is a third

employee dispatched by the District Council's Job Referral List, that employee shall be a Certified Shop Steward and the steward will remain for the duration of that project. This is not to be used as a "head start." An arbitrator is empowered to award as a remedy for a deliberate violation of the "head start" provision the loss of the Employer's benefit hereunder for the remainder of the term of the contract.

(D) Notwithstanding any other provisions of this Agreement, the Employer shall be permitted to hire any and all Carpenters, except for the Shop Steward and except as otherwise provided in this Article, without reference to hiring ratios (i. e., the Employer will be able to hire Carpenters, except as specifically limited, under so-called full mobility).

(E) The compliance procedures hereunder shall include the following:

(1) Each Employer shall provide the District Council and its affiliated employee benefit funds with the name and location of each specific job. The District Council shall assign a unique number to each specific job. Shop Stewards or other designated Carpenters shall report to the District Council on a daily basis the names of the Carpenters and the hours worked for each Employer for each specific job. The Employer shall report to the District Council on a daily basis the existence of one and two-Carpenter jobs, the names of the employees, and the hours worked. The names of Carpenters and hours entered with the District Council shall be electronically transmitted on a daily basis to the Employer at e-mail addresses and to personnel designated by the Employer on forms supplied by the District Council. The Employer shall have five (5) working days, excluding weekends and holidays, from the close of its weekly payroll to dispute names and hours reported that week by the District Council.

(2) Any disputes hereunder shall be processed under the grievance and arbitration procedures of this Agreement. The arbitrator shall be empowered as a remedy to

reinstate the 50:50 hiring ratio provisions for the duration of this Agreement for any Employer found to have acted willfully and with the bad intent to violate the staffing and payrolling requirements of this Agreement. Such a remedy would mean that the individual Employer would be required to hire at least fifty percent (50%) of Carpenters from the District Council's Job Referral List (called an Out of Work List or OWL) without the ability to make requests.

(F) The Employer agrees to report to the Union the location or jobsite of each contract job to be performed twenty-four (24) hours before job start. Repeated non-reporting of jobs will initiate referral of the defaulting Employer to the Joint Trade Board as provided herein.

(G) The designated representative of the Union, as well as all Business Representatives of the Union, shall have access to the job site, warehouse and any other business location of the Employer at all times. When visiting job sites, Union representatives must comply with all general conditions of the job regarding passes, entrances to be used, safety equipment, dress and other site access requirements the Owner requires of the jobsite workforce.

(H) The Employer shall have the right to hire the Foreman.

(I) Nothing in this section shall restrict an Employer's right to discharge an employee for just cause. If the employee so discharged or rejected was obtained from the Union, the employee shall be replaced from the Union to maintain the ratio established above in Article IX, Section B, Subsection (1).

(1) The Employer shall serve written notice to the Union and a copy of such notice to the affected employee by certified mail, return receipt requested, to the Union and to the employee postmarked within forty-eight (48) hours of the action taken.

(2) Any employee who has been terminated, regardless of the reason for termination, must be paid all monies due through the day of the termination, including

reimbursement for any outstanding claims for expenses. Failure of the Employer to comply with any provision of this Section shall negate the termination or rejection and entitle the employee to be paid as if he was working for that time period until the breach of this Section is satisfied.

(3) In any case of rejection or discharge, the Employer shall notify the Union, as provided herein, of the time and date of discharge or rejection and shall specify, in writing, the reason(s) therefor.

(4) The Employer shall retain the right to reject any job applicant referred by the Union provided that the Employer can prove reasonable basis for said rejection.

(5) All New York City District Council certified Shop Stewards shall be allowed to use facilities to fax Shop Steward reports to the Union every week and mail the hard copies to the Union. When a signatory Employer wishes to layoff a Shop Steward during a continuous employment, the Employer must notify the Union and have a meeting on the job with the Union within twenty-four (24) hours. If termination takes place, a letter must be sent to the Union.

(6) No Steward may be required to serve as a Leadman or Foreman on the job. The employer shall bear no responsibility for shop steward(s) when the shop steward leaves the site on his/her own accord.

(J) The Union shall establish and maintain an open employment list for the referral for employment of competent and qualified workers.

(1) Applicants for referral through the Union may register provided they have the necessary skill and experience to perform the job. Such skill and experience is presumed in case of:

(a) Journeyman Applicants who have been employed for substantial periods of time in the job applied for within two years prior to the date they seek referral in the geographical area covered by this Agreement;

(b) Apprentices who are currently required to Apprenticeship School;  
and

(c) Apprentices who have successfully completed the full apprenticeship program.

(2) Other applicants who seek to register for referral must pass a competency test given by a Joint Union-Employer Testing Board to be established under this Agreement. Any applicant who fails to pass the test shall have the right to appeal to an Appeal Board composed of two members appointed by the Association and two members appointed by the Union. Such an appeal must be in writing and addressed to the Union within ten (10) days after the sending of notice of failure. In the event of a deadlock in the Appeal Board, the matter shall be referred to the Arbitrator designated hereunder.

(K) To the extent that the Job Referral System is applicable in selecting applicants from the referral list, the Union shall use the following criteria:

(1) Floor Coverers will be hired by the job referral list at the District Council. The 50/50 rule will be enforced and the Employer can hire whom he wants on his 50% ratio. All Floor Coverers on a job site who are not members of the New York City District Council of Carpenters will be matched from the out of work referral list one for one, and requests cannot be used to match out of town Floor Coverers.

(L) The Employer and the Union shall post in places where notices to employees and applicants for employment are customarily posted, all provisions relating to the functioning of the hiring arrangements.

(M) Unless this Agreement specifically requires the use of a Foreman on a particular job, the Employer may not use an apprentice on the job without first notifying the Union. When a Foreman is required to be on a job, or the Employer chooses to use a Foreman, the Employer shall maintain a ratio of one apprentice for each four (4) Journeymen employed. The signatory contractor shall have the option of using one (1) apprentice for every two (2) journeyman. A Journeyman may not be substituted for an apprentice in this ratio nor may an apprentice be substituted for a Journeyman without specific permission from the Union permitting such substitution. Once an apprentice is hired in conjunction with a Foreman on a job, he/she shall be retained on the job until its completion unless he/she is discharged for just cause or the Union grants permission, based on the exigencies of job, to layoff the apprentice.

(N) The Employer shall provide on a monthly basis, in writing, a list of persons employed to perform work within the jurisdiction described in the Agreement, as well as their hours and days worked to the Union.

(O) Upon request of a representative of the Union and/or the Union, the Employer shall supply a list of jobs and the names and addresses of the persons who worked on each job for the month immediately preceding the request.

## **ARTICLE X**

### **FOREMAN & LEAD PERSON**

(A) Where a job consists of 1,500 yards of reasonably continuous installation, 15,000 square feet of tile installation or 15,000 linear feet of base installation, a Foreman must be

employed. When there are five (5) or more Carpenters on the jobsite, one (1) Carpenter must be paid the Foreman's rate of pay.

(B) On each job where there is no working Foreman, the Employer shall appoint an individual to act as lead person. The Employer shall have the responsibility of advising the Steward as to who the lead person is. The lead person shall receive a Journeyman's wages. It will be the function of the lead person, and where there is no working Foreman, to pass directions on to the individuals working pursuant to the terms of this Agreement.

(C) The Steward shall be appointed by the Union and there shall be a Steward for each shift. The Foreman will be the last person laid off from the job-site.

## **ARTICLE XI**

### **FRINGE BENEFIT FUNDS**

(A) Every Employer covered by this Agreement shall contribute Employer contributions for each hour worked of all employees covered by this Agreement and employed by said Employer within the territory of this Agreement in the amounts hereinafter specified to the Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, U.B.C. & J.A. Fund, Apprenticeship, Journeymen Retraining, Education and Industry Fund, Supplemental Funds, and the New York City & Vicinity Labor-Management Cooperation Fund. Each Employer's books and payroll records, including cash disbursement records, shall be made available upon demand of the Trustees at all reasonable business hours.

The Employer realizes that the failure of any Employer to make the required fringe benefit fund contributions affects the liability of all Employers to this agreement and

decreases the benefits available to the covered employees of the Employer. Therefore, the Employer to this Agreement shall make available to the Trustees of the various Fringe Benefit Trust Funds, or their designated auditing representatives, all pertinent books and records, including all cash disbursement records, required for an audit to enable said auditor to ascertain and independently verify that the proper contributions hereunder have been paid and such records will be produced whenever deemed necessary by the Trustees in connection with the proper administration of their fiduciary responsibilities. In order to accomplish this end, it is specifically agreed that should any affiliate or subsidiary Employer as described in this Agreement be involved with the business activities of this Employer that this Employer will make available all the pertinent books and payroll records of such affiliate or subsidiary to the auditor so that a complete audit can be made. The extent of the audit and the determination as to what pertinent records are necessary to complete the audit is in the sole discretion of the Employer/Union Trustees so that they may independently verify that all required contributions have been made and discover the identity of all beneficiaries under the plans that they have been entrusted with for proper administration.

When auditors are sent to audit the books of any Employer, General Contractor, Prime Contractor, Builder or Subcontractor and a definite appointment is scheduled, when the auditor or auditors cannot start at the appointed time and date and must return, or when valid payroll records are not furnished, then the said Employer, General Contractor, Prime Contractor, Builder or Subcontractor shall be penalized and pay the sum of \$100.00 per auditor, to cover the expense of the auditor or auditors. It shall be a violation of this Agreement for any Employer, bound by this Agreement, to fail to furnish proper records when requested, for the purpose of completing an audit. The Union shall have the right to remove all its members from the offending Employer upon twenty-four (24) hours' notice. If such men who are removed

remain on the jobsite during regular working hours, they shall be paid for lost time not to exceed three (3) days' pay.

(B) Contributions to the New York City District Council of Carpenters Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, U.B.C. & J.A. Fund, Apprenticeship, Journeymen Retraining, Education and Industry Fund, Supplemental Funds, and the New York City & Vicinity Labor-Management Cooperation Fund shall be in accord with this Agreement.

The contribution to the Supplemental Funds shall be allocated in the following manner:

Carpenters Relief and Charity Fund  
TWO AND ONE - HALF CENTS (\$0.025) PER HOUR

District Council Scholarship Fund  
TWO-AND-ONE-HALF CENTS (\$0.025) PER HOUR

The purpose of the Carpenters Relief and Charity Funds is to enable the parties to make charitable donations in the name of the carpentry industry from time to time. Said donations shall be made to duly recognized tax exempt institutions within the meaning of the Internal Revenue Code and to provide emergency assistance to bona fide victims of disaster, catastrophe and community projects for the good of the general public. The contributions shall be included in the payment of the Fringe Benefit Stamp. The Fund shall be administered by two persons, one designated by the Union and the other by the Employer Associations. Both shall serve without pay and shall be bonded to the extent required by law. All monies received by the Fund shall be deposited in a bank selected by the two administrators and shall be disbursed only by check signed by both administrators. At least once a year the entire balance of the Fund on hand shall be disbursed to organizations and persons who meet the qualifications set forth above. The administrators shall keep such books or records as may be necessary. Once a year the administrators shall account for all monies received and disbursed.

The Supplemental Funds shall be established in accordance with applicable law, and any employee's authorization that is required shall be secured by the Union.

It is agreed that all contributions are due and payable to the District Council Fund Office as called for in this Agreement for the other fringe benefit funds and the Employer does hereby authorize said area Fund Office to forward said contributions to the Fund Office in such manner as the Trustees of said fund shall reasonably require

The parties also recognize their right to be represented on the New York State Carpenters Labor-Management Committee and by the execution of this Agreement the parties authorize the representatives of the participating Employers and Carpenter Unions to designate their respective Union and Employer Trustees hereby waiving all notice thereof and ratifying all actions taken by them within the scope of their authority.

Effective July 1, 1996 the parties to this Agreement recognize the New York City and Vicinity Carpenters Joint Labor Management Cooperation Trust Fund. The Committee will be funded by contributions paid through the Trust Funds Stamp Plan. Said donations shall be made in accordance with all applicable Federal and State Laws pertaining thereto.

The Contractor and the Union acknowledge that they are represented by their duly designated Trustees to administer the various Fringe Benefit Trust Funds provided for in this contract. Because of the various liabilities and responsibilities placed upon all parties to this Agreement, including all Employers and Union representatives and their respectively designated Trustees, each Employer hereby agrees that the Fringe Benefit Fund Trustees shall have the necessary powers to fulfill their fiduciary obligations in order to fully protect each Contractor signed to this Agreement and their employee-beneficiaries under the respective fund plans.

(C) When any Employer sends its employees to work in any locality outside the geographical jurisdiction as listed in Article II of this Agreement, it shall forward all fringe

benefits for the members of Local Union 2287 to the New York City District Council of Carpenters Fringe Benefit Funds' office, and credit same to the Employer's account where required; provided, however, should the Employer be required by the Collective Bargaining Agreement with the District Council and/or Local Union outside the jurisdiction of the New York District Council to make contributions and upon proof of such payment, deduct the same from the total contributions for the reporting period due to the New York District Council.

(D) Each Employer shall be bound by all of the terms and conditions of the Agreements and Declarations of Trust, creating the Welfare Fund and Pension Fund, Vacation Fund, Annuity Fund, U.B.C. & J.A. Fund, Apprenticeship, Journeymen Retraining, Education and Industry Fund, Supplemental Funds, and the New York City & Vicinity Labor-Management Cooperation Fund, as amended, and by all By-Laws adopted to regulate each of said Funds. The Trustees of the Funds shall secure the approval of the Treasury Department under the applicable provisions of the Internal Revenue Code and shall amend the same, if necessary, to secure such approval, so as to qualify the Employer-contributions as deductions for Federal Income Tax purposes.

(E) It is agreed that no contributions to any of the Funds as specified in this Article shall be required on the premium portion of wages. For the purposes of these **Sections** only, all hours worked shall be regarded as straight-time hours.

(F) Whenever the Employer is in default in payments to the Fringe Benefit Funds referred to in this Article of the Agreement, and reasonable notice of not less than seventy-two (72) hours of such default is given to the Employer, if the payments are not made, the Union may remove its members from the work of such Employer. If such members who are removed remain at the jobsite during regular working hours, they shall be paid for lost time not to exceed three (3) days' pay.

(G) In the event that formal proceedings are instituted before a court of competent

jurisdiction by the trustees of a Benefit Fund or Funds to collect delinquent contributions to such Fund(s), and if such court renders a judgment in favor of such Fund(s), the Employer shall pay to such Fund(s), in accordance with the judgment of the court, and in lieu of any other liquidated damages, costs, attorney's fees and/or interest, the following:

- (1) the unpaid contributions; plus
- (2) interest on the unpaid contributions determined at the prime rate of Citibank plus 2%; plus
- (3) an amount equal to the greater of --
  - (a) the amount of the interest charges on the unpaid contributions as determined in (2) above, or
  - (b) liquidated damages of 20% of the amount of the unpaid contributions; plus
- (4) reasonable attorney's fees and costs of the action; and
- (5) such other legal or equitable relief as the court deems appropriate.

In the event that proceedings are instituted before an arbitrator under **Section H** of this Article to collect delinquent contributions to Benefit Fund or Funds, and if such arbitrator renders an award in favor of such Fund(s), the arbitrator shall be empowered to award such interest, liquidated damages, and/or costs as may be applicable under the Agreement and Declaration of Trust establishing such Fund(s).

(H) Should any dispute or disagreement arise between the parties hereto, or between the Union and any Employer-member signatory hereto, concerning any claim arising from payments to the Fund of principal and/or interest which is allegedly due, either party may seek arbitration of the dispute before the impartial arbitrator designated hereunder by filing a notice of intent to arbitrate in writing with said impartial arbitrator, and serving a copy of said notice on the

Association or the Union, as the case may be. Unless a waiver is mutually agreed to in writing by the parties hereto, a hearing shall be convened within twenty (20) days of submission and the arbitrator shall submit his award within twenty (20) days after the close of the hearing. The arbitrator shall have full and complete authority to decide any and all issues raised by the submission and to fashion an appropriate remedy including, but not limited to, monetary damages. The arbitrator's award in this regard shall be final and binding upon the parties hereto and the individual Employer, if any, and shall be wholly enforceable in any court of competent jurisdiction. The cost of the arbitration, including the fees to be paid to the arbitrator shall be included in the award and shall be borne by the losing party.

Roger Maher, Richard Adelman or Bonnie Weinstock are hereby designated as impartial arbitrator(s) hereunder.

The agreement of the parties to submit said matters regarding the payment of contributions to an arbitrator does not excuse the Employer from any statutory, civil or criminal liability which may attach to his actions under Municipal, State or Federal law. The submission of a matter to arbitration is in no way meant to affect the right of the Union to remove its members from an Employer's premises, as provided for in this Agreement.

(I) The I-Remit plan has been established which provides for the payment of contributions to the Welfare Fund, Pension Fund, Vacation Fund, Annuity Fund, U.B.C. & J.A. Fund, Apprenticeship, Journeymen Retraining, Education and Industry Fund, Supplemental Funds, and the New York City & Vicinity Labor-Management Cooperation Fund pursuant to a consolidated stamp, including the filing of the monthly summary report with the Fund office. The Employer will comply with procedures established by the Benefit Fund Trustees to assure that the employee receives the appropriate fringe benefit fund contributions. Contributions shall be paid through facilities established and authorized by the Trustees.

**ARTICLE XII**

**BONDING**

**Section 1.** A member of the Greater New York Floor Coverers Association Inc. is not required to post a Surety Bond except as stated hereafter.

Any Greater New York Floor Coverers Association Inc. Employer whose records have been audited by the Funds' and who is found to be delinquent is required to post a bond in the amount set forth in accordance with Section 2 of this Article.

A new Association Employer member whose records have never been audited by the Funds' auditors, shall be required to post a bond as set forth in this Article. The new Employer upon completion of an audit by the Funds' auditors, and said audit reveals no material discrepancy, shall not be required to continue to post a bond.

**Section 2.** Those Employer's covered by this Agreement who are required to post a bond shall provide a Surety Bond in the following amounts:

<u>Bargaining Unit</u>	<u>Amount of Bond</u>
1 to 5	\$ 5,000
6 to 10	10,000
11 to 15	15,000
16 to 25	25,000
26 to 50	50,000
over 50	100,000

The above bonding requirements shall remain in full force and effect for the duration of this Agreement

(a) When a signatory Employer who is required to post a bond, owes to the Benefit Funds an amount greater than the face amount of his Surety Bond, the Surety Bond must be increased to cover such indebtedness. If this cannot be done, the Union may remove all members of the

bargaining unit from that Employer.

**Section 3.** The District Council, in its discretion, may suspend the requirement for a signatory Employer under this agreement to maintain the bond provided for in this Article provided that the District Council is satisfied that said Employer is not presently delinquent in payment of fringe benefit contributions and has a favorable history of making fringe benefit contributions on a timely basis. In the event that the District Council gives an unfavorable response to the request of the signatory Employer to suspend such bond requirement, the Association Employer shall have the right to appear before the Board of Trustees for the Fringe Benefit Funds to review its application for suspension of this contract requirement.

### **ARTICLE XIII**

#### **MISCELLANEOUS CONDITIONS**

(A) Only persons covered by this Agreement may perform work covered within the jurisdiction of this Agreement.

(B) If employees who are subject to this Agreement are withdrawn upon the orders of their International Officers or of the Union, or of Local 2287, it shall not be considered a violation of this Agreement.

(C) Reimbursement for the loss of tools or clothing shall be paid not to exceed:

Tools	\$600.00 (finish)
	\$500.00 (concrete)
Overcoat	\$150.00
Other Clothing	\$150.00
Shoes	\$125.00

All Floor Coverers will be required to carry a full set of tools at all times. The Employer shall furnish a suitable tool and clothing locker. The locker shall have the door hinged in such a way that the hinges cannot be taken off while the door is closed without breaking the door.

(D) The Employer agrees that it will be responsible and liable for payments of all wages and fringe benefits for any Subcontractor who is engaged by the Employer to perform work that falls within the jurisdiction, as set forth herein, of the District Council. The Union shall provide the Association with a monthly report of all District Council signatory Employers that are delinquent in benefits.

(E) It shall be mandatory upon the General or Prime Contractor or Builder to notify the District Council within thirty (30) days of an award and prior to the start of work, that a subcontract necessitating employment of members of the District Council has been awarded. #### **JOINT TRADE BOARD & GRIEVANCE PROCEDURE**

The Joint Trade Board will have authority to address, in a timely fashion, any undue hardships the collective bargaining agreement may impose on the Union, a Contractor or the Association on an issue by issue basis.

The Joint Trade Board may modify terms and conditions to allow the Association Contractor to manage its particular project or to compete against unfair Contractors on a site by site basis.

All issues the Joint Trade Board reviews will be in writing and its actions will be decided by a simple majority. All concerns brought before the Joint Trade Board will be reviewed periodically. Repetitious issues can be recommended for inclusion in a subsequent collective bargaining agreement.

The Joint Trade Board shall hold regular meetings during the first week of every February, May, August and November or, if such day is a Holiday, on the next business day thereafter. In the event there are no matters scheduled to come before the Joint Trade Board at a particular monthly meeting, such meeting may be canceled. The Joint Trade Board, by either Co-Chair, shall notify all parties thereto of the dispute and of the time and place of the hearing no less than two (2) weeks prior to the hearing. Such request, by fax or letter, shall state the project location, local Union, Contractor, Subcontractor and brief summary of the question to be discussed.

(A) All complaints, disputes and differences concerning the application, interpretation, effect, purpose or breach of any term or condition of this Agreement, or in the event there shall exist any claim, demand, dispute or controversy between the parties hereto, excluding the merits of jurisdictional dispute, i.e., a dispute with another trade over the assignment of work, the parties hereto shall first attempt to settle and adjust such dispute, claim, demand or controversy by negotiation.

Grievances must be filed in writing, with e-mail constituting an acceptable writing, and must be received by the Association, the Employer and the Union within forty five (45) days of the Union or the Association becoming aware of the alleged occurrence. All grievance forms

shall contain, at a minimum, a written description of the incident, the District Council trade involved, the date, time and location of the incident, and must show the contact information and be signed by the Member, Union representative, or the Association if the Employer is bringing the grievance. No grievance may be filed for incidents that allegedly took place more than one year from the date of the alleged occurrence.

(B) In the event said dispute, claim, demand or controversy shall not be completely settled and adjusted, the parties agree that it shall be referred for resolution by the Joint Trade Board of the Association and the Union. Said Joint Trade Board shall consist of three (3) members to represent the Association and three (3) members to represent the Union. The Joint Trade Board shall meet within 48 hours after a written request by either the Employer or the Union. Each member shall cast one vote. Two members representing the Association and two members representing the Union shall constitute a quorum. Any member of the Joint Trade Board directly involved in the dispute may be challenged by any two members of the Joint Trade Board and shall be replaced by the Association or the Union, as the case may be. Decision shall be by a simple majority of the votes cast and shall be final and binding on both parties. The Joint Trade Board shall have the power and authority to fashion such remedy, including the imposition of damages, as it deems appropriate.

(C) Any grievance not resolved pursuant to (a) above, shall be submitted to arbitration before Roger Maher, Richard Adelman or Bonnie Weinstock who shall serve as the permanent contract arbitrators hereunder. The arbitrator shall conduct a hearing in such manner as he shall consider proper and shall serve as sole arbitrator of the dispute between the parties. The arbitrator shall have the right to conduct an ex parte hearing in the event of the failure of either party to be present at the time and place designated for the arbitration, and shall have the power

to render a decision based on the testimony before him at such hearing. The decision of the arbitrator shall be final and binding upon both parties and may be entered as a final decree or judgment in the Supreme Court of the State of New York or in a court of appropriate jurisdiction in any state where such decision shall be rendered. The costs of the arbitration, including the arbitrator's fee shall be borne equally by the Association and the Union. It is the intent of the parties hereto that all disputes between them, both within and outside of the Agreement, shall be submitted to arbitration and that no defense to prevent the holding of the arbitration shall be permitted. Service of any documents or notice referred to above, or service of any notice required by law in connection with arbitration proceedings may be made by registered or certified mail. Service upon the Employer may be made on either the individual Employer or the Association.

Sideletter Agreement on Outstanding Grievances

Dear Mr. Ziskin:

This letter will serve to memorialize the agreement reached between the New York City District Council of Carpenters (the "District Council") and the Greater New York Floor Coverers Association, Inc. (the "Floor Coverers Association") during negotiations for the parties' collective bargaining agreement with a term of July 1, 2011 to June 30, 2015 (the "CBA") with respect to outstanding grievances existing between the parties.

It is agreed that upon execution of the CBA that the District Council will use its best efforts to resolve all existing grievances against Association members including grievances pertaining to violations of the manning ratios stipulated in Judge Haight's May 27, 2009 decision in U.S. v. District Council et. al, 90-cv-5722.

If the above comports with your understanding of the parties' agreement on the issues set forth in this letter, please countersign in the space provided below and return a countersigned copy to me.

Very truly yours,

Stephen C. McInnis  
Executive Secretary-Treasurer Pro Tem  
and President

AGREED:
