Said contributions shall be made in accordance with all applicable Federal and State Laws pertaining thereto.

If any of the above allocations are determined, in the opinion of counsel, legally improper, then in that event said allocation may be reallocated by the Union to a presently existing Fringe Benefit Fund or to another fund to be established by the Union and the Employer.

The Employer and the Union acknowledge that they are represented by their duly designated trustees to administer the various Fringe Benefit Trust Funds provided for in this contract. Because of the various liabilities and responsibilities placed upon all parties to this agreement, including all Contractors and Union representatives and their respectively designated trustees, each Contractor hereby agrees that the Fringe Benefit Fund Trustees shall have the necessary powers to fulfill their fiduciary obligations in order to fully protect each Employer signed to this agreement and their employee-beneficiaries under the respective fund plans.

Section 10 - U.B.C. National Health & Safety, Apprenticeship Training, and Education and Development Funds

Section 11 - Arbitration

Should any dispute or disagreement arise between the parties hereto, or between the Union and any Employer-member signatory hereto, concerning any claim arising from payments to the Fund of principal and/or interest which is allegedly due, either party may seek arbitration of the dispute before the impartial arbitrator designated hereunder by filing a notice of intent to arbitrate, in writing, with said impartial arbitrator and serving a copy of said notice on the Association and Employer or the Union, as the case may be, and in a manner permitted by law. The arbitrator shall have full and complete authority to decide any and all issues raised by the submission and to award appropriate damages. The arbitrator's award in this regard shall be final and binding upon the parties hereto and the individual Employer, if any, and shall be wholly enforceable in any court of competent jurisdiction. The cost of the arbitration, including the fees to be paid to the arbitrator, shall be included in the award and shall be borne by the losing party. Roger Maher, Esq., Robert Herdoz, Esq. or Joseph Lipowski, Esq. is hereby designated as impartial

arbitrator hereunder. In the event Roger Maher, Robert Herdoz or Joseph Lipowski is unwilling or unable to serve as impartial arbitrator, the New York State Board of Mediation shall designate an impartial arbitrator to serve in his place and stead.

The agreement of the parties to submit said matters regarding the payment of contributions to an arbitrator does not excuse an Employer from any statutory, civil or criminal liability which may attach to his actions under Municipal, State or Federal law. The submission of a matter to arbitration is in no way meant to affect the right of the Union to remove its members from an Employer's premises, as provided for in this Agreement.

(B) **No Limitations**

This **Section** shall in no way relieve or excuse any Employer of the obligation to provide the required Bond regardless of the business form under which the Employer does business, nor shall this provision limit the personal liability of any corporate officers or shareholders based on operation of law.

(C) Application to Non-Complying Employer

Any Employer commencing work in violation of this **Section** shall be in violation of **Article XI** relating to the Funds.

Section 5 Bond Amount

The Funds' Trustees shall determine the amount of Bond the Employer is required to provide, but such amount shall be no less than an amount equal to sixty days of estimated contributions.

The Funds may seize the bond if the Funds determine that the Employer has failed to make required contributions to the Funds or if the Employer has violated the Funds' Collection Procedures.
