ARTICLE I

Purposes-Declaration of Principles

Section 1 - Purposes

The purposes for which this Agreement is entered into are as follows:

- (a) prevent strikes and lockouts;
- (b) facilitate peaceful adjustment of grievances and disputes between the Employer, employee and Union;
- (c) prevent waste, unnecessary and avoidable delays, which result in unnecessary costs

and expense to the Employer, and Union, and the loss of wages and fringe benefits to the employee;

- (d) enable the Employer to secure at all times sufficient forces of skilled workmen;
- (e) provide as far as possible for the continuous employment of labor;
- (f) provide that employment hereunder shall be in accordance with conditions and at wages and fringe benefits herein agreed upon.
- (g) bring about stable conditions in the Industry;
- (h) keep costs of work in the Heavy Construction Industry as low as possible consistent with fair wages and proper working conditions, as provided for hereunder;
- (i) continue the custom and practice heretofore prevailing for many years on Heavy Construction Work of agreement as to the terms and conditions of employment, and as to the necessary procedure for amicable adjustment of all disputes or questions that may arise.

Section 2 - Declaration of Principles

Both parties to this Agreement acknowledge that this Agreement is the uniform agreement for the Heavy Construction Industry and its execution will further the interests of said Industry. This Agreement will be interpreted under the following principles:

- (a) that there shall be no limitation as to the amount of work an employee shall perform during his working day, it being understood that said employee shall perform a fair and honest day's work, within the limits of safety;
- (b) that there shall be no restrictions on the use of machinery, tools or appliances, within the limits of safety. If an employee is required to use powder actuated tools, he is to be qualified to use said powder actuated tools, by securing from the tool

No powder actuated tool shall be used that has not been previously approved by the New York City Board of Standards and Appeals;

- (f) that Employers are at liberty to employ and discharge, whomsoever they see fit, providing that no person shall be discharged without good cause;
- (g) the Employer and the Union agree that they have not, and will not discriminate because of race, creed, color, national origin, age, sex, disability, marital status, sexual orientation, citizenship status or Union membership against any individual.

For the purpose of this **Article**, "citizenship status" means the citizenship of any person or the immigration status of any person lawfully residing in the United States who is not a citizen or national of the United States.

When conditions beyond the control of the Employer, such as severe weather, wide spread power failure, fire, natural disaster, etc., prevent the operation of the job on one or more normal working days, the Employer may, with notification to the Union, schedule the Saturday of that calendar week during which work was prevented, as a make-up day at straight time. All hours worked in excess of the normal work day shall be paid for at the rate of time and one-half. When a holiday falls on a Saturday, then the make-up day rate shall be double time. In order to utilize a Saturday as a make-up day, the Employer must declare a regular work day "terminated," for one of the reasons listed above, no later than 10:00 a.m. of the day terminated, and must

notify the Union of its desire to work a make-up day by noon of the day preceding the make-up day. Employees employed by the Employer on the day so "terminated" shall have the right of first refusal to work on the make-up Saturday, but said employees shall also have the right to decline work on a make-up Saturday, without any penalty. If men are needed to work a make-up Saturday, other than those already working on the job, the Employer shall call the District Council for men before employing men secured from any other source.

ARTICLE X

Intent of Agreement - Subcontractors

Section 1 - Spirit of Agreement

This Agreement and all of its terms and provisions are predicated on an effort and a spirit of bringing about more equitable conditions in the Construction Industry, and the language herein shall not be misconstrued to evade the principles or intent of this Agreement.

Section 2 - Binding Subcontractors and Other Firms

- (a) The terms, covenants and conditions of this Agreement shall be binding upon all Subcontractors at the site to whom the Employer may have sublet all or part of any contract entered into by the Employer. The Employer will only award on site subcontracts necessitating employment of employees covered by this Agreement to Subcontractors who are under agreement or are willing to enter into agreement with the Union. The Employer will violate this Agreement if it willfully neglects to notify the Union in writing by certified mail or hand delivery to the offices of the District Council within thirty (30) days after an award of a subcontract necessitating

employment of employees covered by this Agreement. The Employer will not sublet to another Contractor the safety protection of openings and stairways. This does not include the planking or other protection of openings in concrete arches during the form work stage until the time of stripping; nor does it include a restriction on the subletting of sidewalk bridge construction or maintenance. Nothing in this agreement will forbid the Employer which has an agreement with the New York District Council of Carpenters from hiring on its payroll on a temporary basis Timbermen who may be performing work for other Contractors on the same job site, or to perform protection work on a time-and material basis.

- (b) This Agreement shall be binding on the Employer, its successors and/or assigns as well as any firm, be it corporation, partnership or joint venture, which the Employer, its successors and/or assigns, has, or acquires, a financial interest in.
- (c) At least five (5) working days prior to the inception of any job where the contract for Timberman work is one million (\$1,000,000) dollars or more, the Employer shall contact the Union to arrange a conference on the job site to discuss work assignment and the application of this Agreement to the particular job.

Section 3 - Lists

The Union shall furnish monthly a list of Employers who are in default on the payment of wages and/or contributions to all Funds listed in **Article XI**.

period only beginning two (2) working days after the day of receipt of such notice. The Employer will only be liable for the unpaid contribution, and in no event shall an Employer be liable for any of the listed liquidated damages, interests, costs or fees for which its Subcontractor may be liable.

- (b) If an audit is required of the Employer's books and records and there is established an unpaid balance in contributions to the Fringe Benefit Funds and said unpaid balance is not paid within thirty (30) days of notification to the Employer, then in addition to the costs as set forth in (a) above, as additional liquidated damages the Employer shall be obligated to pay to said Fringe Benefit Funds five (5) percent of the unpaid contributions.
- (c) If thereafter, in the sole discretion of the Trustees, the matter is referred to legal counsel for collection, then in addition to the costs set forth in (a) and (b) above, the Employer shall be obligated to pay to said Fringe Benefit Funds five (5%) percent of the unpaid contributions as attorney's fees.

- (d) It is understood that the above liquidated damages are cumulative.
- (e) In no event shall an Employer be liable for any of the above-listed liquidated damages, interest, costs, or fees for which its Subcontractor may be liable.
- (f) In the event that formal proceedings are instituted before a court of competent jurisdiction by the trustees of a Benefit Fund or Funds to collect delinquent contributions to such Fund(s), and if such court renders a judgment in favor of such Fund(s), the Employer shall pay to such Fund(s), in accordance with the judgment of the court, and in lieu of any other liquidated damages, costs, attorney's fee and/or interest, the following:

The purpose of the Carpenters Relief and Charity Fund is to enable the parties to make charitable donations in the name of the carpentry industry from time to time. Said donations shall be made to

duly recognized tax exempt institutions within the meaning of the Internal Revenue Code and to provide emergency assistance to bona fide victims of disaster, catastrophe and community projects for the good of the general public. The contributions shall be included in the payment of the Fringe Benefit Stamp. The Fund shall be administered by two persons, one designated by the Union and the other by the Association. Both shall serve without pay and shall be bonded to the extent required by law. All moneys received by the Fund shall be deposited in a bank selected by the two administrators and shall be disbursed only by check signed by both administrators. At least once a year the entire balance of the Fund on hand shall be disbursed to organizations and persons who meet the qualifications set forth above. The administrators shall keep such books of record as may be necessary. Once a year the administrators shall account for all moneys received and disbursed.

Section 9 - New York City and Vicinity Carpenters Joint Labor-Management Industry Fund

Effective July 1, 1996 the parties to this agreement recognize the New York and Vicinity District Council of Carpenters Joint Labor Management Industry Committee. The Committee will be funded by contributions of fifteen (\$0.15) cent per hour worked through the Trusts Funds Benefit Plan. Said contributions shall be made in accordance with all applicable Federal and State Laws pertaining thereto.

If any of the above allocations are determined, in the opinion of counsel, legally improper, then in that event said allocation may be allocated by the Union to a presently existing Fringe Benefit Fund or to another fund to be established by the Union and the Employer.

The Employer and the Union acknowledge that they are represented by their duly designated trustees to administer the various Fringe Benefit Trust Funds provided for in this contract. Because of the various liabilities and responsibilities placed upon all parties to this agreement, including all Contractors and Union representatives and their respectively designated trustees, each Contractor

hereby agrees that the Fringe Benefit Fund Trustees shall have the necessary powers to fulfill their fiduciary obligations in order to fully protect each Employer signed to this agreement and their employee-beneficiaries under the respective fund plans.

Section 10 - U.B.C. National Health & Safety, Apprenticeship Training, and Education and Development Funds

In addition to any contributions otherwise called for herein, the parties agree that the Employer shall make a contribution of two (\$.02) cents per hour worked for each employee covered by this Agreement to the United Brotherhood of Carpenters Apprenticeship & Training Fund of North America (the "Training Fund"). Section 11 - Arbitration

Should any dispute or disagreement arise between the parties hereto, or between the Union and any Employer-member signatory hereto, concerning any claim arising from payments to the Fund of principal and/or interest which is allegedly due, either party may seek arbitration of the dispute before the impartial arbitrator designated hereunder by filing a notice of intent to arbitrate in writing with said impartial arbitrator and serving a copy of said notice on the Association and the Employer,

or the Union, as the case may be in the manner permitted by law. Unless a waiver is mutually agreed to in writing by the parties hereto, a hearing shall be convened within twenty (20) days of submission, and the arbitrator shall submit his award within twenty (20) days of the close of the hearing.

The arbitrator shall have full and complete authority to decide any and all issues raised by the submission and to award appropriate damages. The arbitrator's award in this regard shall be final and binding upon the parties hereto and the individual Employer, if any, and shall be wholly enforceable in any court of competent jurisdiction. The cost of the arbitration, including the fees to be paid to the arbitrator, shall be included in the award and shall be borne by the losing party. Roger Maher, Esq., Robert Herdoz, Esq. or Joseph Lipowski, Esq. is hereby designated as impartial arbitrator hereunder. In the event Roger Maher, Robert Herdoz or Joseph Lipowski, Esq. is unwilling or unable to serve as impartial arbitrator, the New York State Board of Mediation shall designate an impartial arbitrator to serve in his place and stead.

The agreement of the parties to submit said matters regarding the payment of contributions to an arbitrator does not excuse an Employer from any statutory, civil or criminal liability which may attach to his actions under Municipal, State or Federal law. The submission of a matter to arbitration is in no way meant to affect the right of the Union to remove its members from an Employer's premises, as provided for in this Agreement.
