

PRESCRIPTION DRUG PLAN AT A GLANCE

Offered Through Express Scripts

Retail co-payments

\$15 (generic)

\$25 (preferred)

\$40 (non-preferred)

Mail Order co-payments

\$25 (generic)

\$45 (preferred)

\$75 (non-preferred)

****Mail Order co-payments represent a three month supply.***

If you are taking a maintenance drug (a drug you must take over a long period of time), you must use the mail order program after filling the prescription three times at the pharmacy or you will have to pay full price. The mail order program is not only convenient for you, but is also a less costly option.
