Independent Auditor's Report**Board of Trustees**

New York City District Council of Carpenters Annuity Fund

Opinion

We have audited the accompanying financial statements of the New York City District Council of Carpenters Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended June 30, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2022 and 2021, and the changes in net assets available for benefits for the years ended June 30, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 14 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 19 through 22 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the New York City District Council of Carpenters Annuity Fund (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective July 1, 1966 and is a defined contribution profit sharing plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the District Council of New York City and Vicinity of the United Brotherhood of Carpenters and Joiners of America (the "District Council") and various employers and employer associations in the construction industry in the New York Metropolitan Area. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to provide retirement benefits to eligible participants.

Participation

An individual becomes a participant in the Plan upon completion of one hour of service in covered employment for a contributing employer.

Vesting

Participants are immediately 100% vested in all contributions and related earnings credited to their individual accounts.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 55 and retires
2. Dies
3. Becomes disabled
4. Has participated in the Plan for at least 60 consecutive months. Maximum amount of withdrawal is the lesser of \$50,000 or 50% of his/her individual account. This once-in-a-lifetime withdrawal may be received for any reason
5. Has no employers' contributions credited to his/her individual account for four consecutive months

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 72.

Prior to January 1, 2021, a participant may apply for an "in service" distribution from their account, attributed to contributions made prior to July 1, 1992, including earnings associated with those contributions. The participant had to be at least 62 years of age, established their account before July 1, 1992, and was still working for a contributing employer. Effective January 1, 2021, in accordance with the SECURE Act, the Plan was amended for which the aforementioned age requirement was reduced from 62 to at least 59 ½ years of age.

Benefits are recorded when paid.

A participant may elect any one of the following methods of payment:

- a. A series of annual installments, not to exceed ten (10) years
- b. One lump sum
- c. 75% joint and survivor annuity
- d. Any combination of the items listed

In accordance with IRS Regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this strategy, each participant directs the investment of his/her account into various investment options offered by the Plan. Each participant's account is credited with contributions made on his/her behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hardship withdrawals

In the event of certain financial hardships, as defined in the Plan, a participant may apply for a distribution from his/her account upon satisfying certain conditions.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Notes receivable from participants

A participant may generally borrow up to 50% of the amount in his or her individual account not to exceed \$50,000 less the highest outstanding balance of his or her total Plan loans during the last twelve months. The loans are secured by the balance in the participants' accounts. Loans are limited to purposes defined in the Plan and bear interest using the same criteria as commercial lending institutions. In general, loans must be repaid quarterly over a period of five years. Loans relating to the purchase of a principal residence must be repaid over a period of 10 years.

Notes receivable from participants are measured at their unpaid principal balance. As of June 30, 2022 and 2021 no allowances for credit losses has been recorded. If a participant does not make loan repayments in accordance with the terms of the loan and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Participants who default on a loan are not eligible to apply for another loan for a period of 5 years.

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act")

During the year ended June 30, 2020, the Board of Trustees adopted relief programs made available through the CARES Act, including suspension of required minimum distributions for 2020, the option for eligible participants to delay the due date of certain Plan loan payments for up to one year, and the option for eligible participants to take special distributions and loans of up to \$100,000, on a tax-favored basis through December 31, 2020. Coronavirus-related distributions included in benefits paid for the years ended June 30, 2022 and 2021 were \$0 and \$121,381,941, respectively.

Plan termination

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

NEW YORK CITY DISTRICT COUNCIL OF CARPENTERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Investment valuation and income recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Administrative expense allocation

The administrative office is occupied by the Plan and various related organizations. Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Reimbursements paid to related organizations for the years ended June 30, 2022 and 2021 were \$3,324,770 and \$3,294,454, respectively.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Certain investments that are measured at fair value using the net asset value per share (or its equivalent practical expedient) have not been classified in the fair value hierarchy. As of June 30, 2022 and 2021 all of the Plan's investments at fair value are measured using net asset value per share.

NEW YORK CITY DISTRICT COUNCIL OF CARPENTERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 3 - Pooled separate accounts

The Plan purchases units of Separate Accounts organized by Prudential Retirement Insurance and Annuity Company ("PRIAC") and made available to participants as investment options for qualified retirement plans. PRIAC separate accounts are constructed to reflect the composition of the benchmark it's being measured against. The value of each Separate Account and units of participation are determined at the close of each day which PRIAC and the New York Stock Exchange are open for business or as determined by PRIAC. The estimated fair value of the Plan's investment as of June 30, 2022 and 2021 was \$1,375,348,652 and \$1,604,253,748, respectively.

Redemptions may be made in accordance with the terms of the operating agreement.

Note 4 - Unallocated contract

The Plan is party to a fully benefit-responsive investment contract with Prudential Retirement Insurance and Annuity Company ("Prudential"). This traditional investment contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the unallocated contract as of June 30, 2022 and 2021 was \$1,516,445,941 and \$1,556,278,990, respectively. The crediting interest rate is reviewed and reset on a semi-annual basis and in no instance will fall below 0.00%.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

There are not any events that allow the issuer to terminate the contract and which require the Board of Trustees to settle at an amount different than contract value paid either within 90 days or over time. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers, which would also limit the ability of the Plan to transact at contract value with the participants.

Note 5 - Party-in-interest transactions

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments.

NEW YORK CITY DISTRICT COUNCIL OF CARPENTERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2022 AND 2021

Note 6 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 7 - Lease commitments

The New York City District Council of Carpenters Pension Fund (the "Pension Fund"), a related organization, is party to a lease agreement, expiring on July 31, 2027, with 395 Hudson New York, LLC. Under the terms of the agreement, the Pension Fund will pay rent plus escalation charges for real estate taxes and occupancy expenses for office space on the ninth floor at 395 Hudson Street, New York. Effective May 1, 2016, the lease was amended to include office space on the fifth floor.

The Plan's portion of occupancy expenses for the years ended June 30, 2022 and 2021 were \$249,287, and \$230,209, respectively.

Rent and escalation charges are allocated between the Plan, the Pension Fund and all other related organizations based on the estimated benefit received. For the years ended June 30, 2022 and 2021, the Plan's share of total occupancy expenses was approximately 11% and 12%, respectively.

Note 8 - Employers' contributions

In accordance with collective bargaining agreements and participation agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Employer contributions are generally based on an hourly rate or percentage of salary.

In March 2020, the COVID-19 outbreak in the United States caused business disruption through government mandated closings in the construction industry negatively impacting the Plan's employers' contributions income. Due to the uncertainty regarding the duration of these business disruptions, the financial impact cannot be reasonably estimated at this time.

Note 10 - Tax status

The Plan has received a determination letter from the IRS dated October 1, 2015, stating that the Plan is qualified under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The Trustees believe that the Plan, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 11 - Reconciliation of financial statements to Form 5500

For financial statement purposes, participant loans are required to be classified as notes receivable from participants. This differs from the reporting requirements of the Department of Labor which requires that these assets be shown as investments.

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses.
