RAPID! MOBILE APP[1] TO ACCESS YOUR ACCOUNTS AT NO COST!

Most employees now expect to be able to manage their finances from one central place.

rapid! PayCard has developed a free Mobile App called rapid!PAY, which enables them to manage finances on the road.

With this new app, cardholders have some great new features for secure and immediate access to view and manage their card account. Cardholders can now access their finances wherever they are . . . the mall, the grocery store, the gas station . . or even sitting at home on the couch.

The rapid!PAY mobile app is iPhone and Android compatible.

Important Information for opening a Card account: To help the federal government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all financial institutions and their third parties to obtain, verify, and record information that identifies each person who opens a Card account. What this means for you: When you open a Card account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
