

At a Glance: Your Vision Benefits

NYCDCC Welfare Fund Coverage

Our network providers are Comprehensive Professional Systems (CPS) and General Vision Services (GVS). If you choose not to use these network providers, you are still entitled to reimbursement. The Fund will reimburse you up to \$125 for the same package of services if you choose a non-participating provider.

You and your covered dependents are entitled to an eye examination and new glasses or contact lenses once every 12 months*.

*12 months = 365 days

If you use a participating provider, there are no out-of-pocket costs, if the frames and lenses you select are part of the program. If the frames and lenses you select are outside the program, you receive a credit toward your purchase.

The Fund will pay a Participating Provider a total of \$125. Up to \$25 is reimbursed for an eye exam, with the balance available for a pair of frames and/or lenses. If you visit a Non-Participating Provider, the Fund will reimburse you up to \$125 for the same package of services.
