The New York State Department of Labor
(NYS DOL) has launched the new
Prevailing Wage Contractor Registry.

PREVAILING WAGE CONTRACTORS

If you do prevailing wage work in New York State, **starting December 30, 2024**, registration with the NYS DOL is **required** to bid on or perform covered prevailing wage work.

DEVELOPERS AND GENERAL/PRIME CONTRACTORS

You are responsible for ensuring that **all subcontractors** on a covered project are registered.

ACT NOW

The NYS DOL estimates that the registration could take 3-4 weeks, so it's important to register **NOW**.
