

Webinar

MSK Direct Presents:

Take Charge of Your Health: The Importance of Cancer Screening and Prevention

Tuesday, February 4, 2025 • 1:00–2:00 p.m., ET

In the United States, 1 in 2 men and 1 in 3 women will be diagnosed with cancer in their lifetime.¹ Over 40% of cancers are preventable.²

Join Dr. Robert Sidlow, a Memorial Sloan Kettering Cancer Center (MSK) Internist, for an engaging webinar that dives into:

- The critical role of cancer screening
- Recognizing key signs and symptoms
- Preventative and proactive health behaviors.
- Essential cancer screening guidelines

Whether for yourself or your loved ones, this session is packed with actionable insights to empower you with the knowledge to take charge of your health. Don't miss it!
