At a Glance: Vision Benefits

PARTICIPATING PROVIDERS

Vision benefits are provided through two networks of Providers—Comprehensive Professional Systems (“CPS”) and General Vision Services (“GVS”). You may use either network, or you may use a non-network Provider. Selections of frames and lenses may vary among the two networks and, in some instances, among locations in the same network.

For a listing of Participating Providers, call:

CPS: (212) 675-5745

GVS: (800) 847-4661

WHAT'S COVERED

You and your covered dependents are each entitled to an eye examination and new glasses or contact lenses once every 12 months (12 months = 365 days).

If you visit a Participating Provider, there are no out-of-pocket costs if the frames and lenses you select are part of the program. If the frames and lenses you select are outside the program, you will receive a credit towards your purchase. Additionally, if you use a Participating Provider, you may purchase safety glasses in lieu of normal eyeglasses, subject to the applicable rules (one eye exam/glasses once every 365 days)

The Fund will pay a Participating Provider a total of \$125. Up to \$25 is reimbursed for an eye exam, with the balance available for a pair of frames and/or lenses.

NON-NETWORK PROVIDERS

If you visit a Non-Participating Provider, the Fund will reimburse you up to \$125 for the same package of services.

At a Glance: Hearing Benefits

ELIGIBILITY

You and your covered dependents are eligible for a hearing benefit once every four years. You may receive benefits from any hearing Provider.

PARTICIPATING PROVIDERS

You will receive the highest level of coverage when you use the network of Participating Providers affiliated with Comprehensive Professional Systems (CPS) or General Hearing Services (GHS). You may obtain benefits at any Provider with whom CPS and GHS have negotiated special discounts on your behalf.

For a listing of Participating Providers, call:

CPS: (212) 675-5745

GHS: (800) 480-0558

WHAT'S COVERED

Coverage is provided at no cost to you from a CPS Provider and for a \$150 Copayment at a GHS Provider for the following:

- A hearing evaluation
- Behind the ear, all-in-the canal, completely-in-the-canal and digital, programming hearing aids
- A battery for your hearing aid, with a one-year guarantee
- At CPS the ear impression (ear mold) is also covered
- Unlimited services of your hearing aid for one year

If you select a hearing aid that is not part of the Fund package, you may have additional out-of-pocket costs which are not eligible for benefit consideration or reimbursement under the Plan.

NON-NETWORK PROVIDERS

When you use a Non-Network Provider, you will have to pay for the services you receive and submit a claim to the Fund Office. The Fund will reimburse you the same benefit amount it would have paid if you had gone to a Network Provider (maximum benefit of \$350 for each ear, once every four (4) years). This hearing benefit is available to all eligible family members
