

# RETIRING SOON?

Be sure to notify the NYCDCC Benefit Funds and keep your information up-to-date

## TAKING THE FIRST STEP TOWARDS A HAPPY RETIREMENT

Our Retirement Services Department recommends you make an appointment with a Pension Analyst prior to visiting the office.

**Appointments with Pension Analysts are available  
Monday-Thursday from 9:30AM-4:00PM, and on  
Friday from 8:00AM-3:00PM.**

By allowing for the scheduling of appointments with Pension Analysts, the Analysts will know in advance whom they are meeting with and when the meetings are taking place. As a result, the Analysts will then be able to collect information and prepare data specific to members prior to these meetings.

## SCHEDULING YOUR APPOINTMENT

These appointments can be made by calling the Member Services Department at (800) 529-FUND (3863), or by submitting an Appointment Request Form, available on our website at <https://nyccbf.org/member-appointment-request-form/> or by scanning the QR code here.
